

St Joseph's Catholic Primary School

Special Educational Needs and Disability (SEND) information report 2021/2022

1	<p>How does the school know if children need extra help and what should I do if I think my child may have special educational needs?</p> <p>The school assesses children's academic progress every 6 weeks and closely monitors those who are not making the expected progress. Meetings are held between teachers and Senior Management in order to discuss why this might be and decisions are made about what can be done to support any needs identified. Teachers discuss appropriate interventions with parents during termly consultations or during additionally arranged meetings.</p>	
	<p><i>How do you identify children with special educational needs?</i></p>	<p>A lack of progress can lead to:</p> <ul style="list-style-type: none"> • Observations being made in the classroom by the SENCo • Class teacher raising a concern in a child's progress • Standardised assessments carried out by the SEN team • Scrutiny of children's work • Advice being sought from outside agencies such as the Child Development Team, , Speech and Language Therapy Service, LBAT and Soc Com team <p>Any concerns raised by parents are also investigated using the above actions.</p>
	<p><i>How will I be able to raise any concerns I may have?</i></p>	<p>Concerns about progress should first be raised with the class teacher. Concerns about emotional well being can also be raised with the Head, Deputy or SENCo . We will discuss with you how these concerns can be addressed and an action plan will be agreed. We will then arrange a further meeting to review progress and make any adjustments to the plan.</p>

2	How will the school staff support my child?	
	<p>We aim to provide quality 1st class education for all the children in our care irrespective of whether they have needs or not. In order to do this, we ensure that we invest in staff training and resources on a regular basis.</p>	
	<i>Who will oversee and plan the education programme. Who will be working with my child and how often? What will be their roles?</i>	<p>The teacher and SENCo will plan an appropriate programme of intervention after discussion with parents and children and sometimes, outside agencies. The SENCo timetables the support, liaising with any professionals and other staff working with the child. Higher level teaching assistants, and teaching assistants work with individual children or with groups of children. All staff that work with children are trained in running the interventions offered. Professionals from outside agencies will also work occasionally with individual children.</p>
	<i>Who will explain this to me?</i>	<p>Class teachers are the first point of contact for parents but the SENCo also offers meetings with parents of children with Special Educational Needs. Regular meetings can also be arranged by the SENCo in order to work with parents when completing referrals and planning programmes of support.</p>
	<i>How are school governors or trustees involved and what are their responsibilities?</i>	<p>The school has 2 SEN governors. Governors oversee the SEN policy and provision and reports termly to the Full Governing body. There is a close liaison with the SENCo and visits are made to the school where the needs of the children / school are discussed and monitoring of provision takes place.</p>
<i>How does the school know how effective its arrangements and provision for children and young people with special educational needs are?</i>	<p>There is close scrutiny of the progress of children with SEN every term. Progress is measured against the school's expectations, the rest of the school cohort and the progress locally and nationally. Children are also assessed using published standardised tests before an intervention is started and then at the end of the intervention in order to measure impact. The use of Edukey Provision Maps platform allow us to monitor progress of targets and interventions.</p>	

St Joseph's Catholic Primary School Local Offer

3	<p>How will the curriculum be matched to my child's needs?</p> <p>Through observations, assessments and discussions with children and parents, the children's individual needs are identified and appropriate support is put in place within the classroom.</p>	
	<p><i>What are the school's approaches to differentiation? How will that help my child?</i></p>	<p>Lessons are routinely differentiated to match the pupils' needs in the class. Children are given support through specialised resources, adult and peer support and through differentiated tasks. Provision is monitored on a termly basis through lesson observations carried out by the Senior Leadership Team.</p>
4	<p>How will both you and I know how my child is doing and how will you help me to support my child's learning?</p>	
	<p><i>In addition to the normal reporting arrangements what opportunities will there be for me to discuss his or her progress with the staff?</i></p>	<p>Parent / teacher consultations are held once a term where discussion takes place on the progress of the children against national expectations or their own personal targets identified in individual subject books. Twice yearly parents of children on the SEN register will be invited in to contribute to target setting and reviewing. The SENCo also holds consultations that run alongside the parent / teacher consultations if requested. Extra communication or meetings are always available on request and if necessary outside professionals are invited to contribute to the child's provision.</p>
	<p><i>How does the school know how well my child is doing?</i></p>	<p>Assessment within the classroom is a continuous process and involves observations of the child at work, self or peer assessment and full application of the marking scheme. The SEN team uses checklists and standardised assessments to monitor how individual pupils are progressing. Staff running interventions keep notes on what is going well and areas for further development which are fed back to teaching staff and the SENCo via Edukey Provision Maps, parents have access to their child plan.</p>
	<p><i>How will I know what progress my child should be making?</i></p>	<p>The class teacher and SENCo will explain the progress the children are making against the targets set for them and indicate whether this reaches the expectations appropriate to individual needs. Annual reports also outline whether a child is working above, below or in</p>

St Joseph's Catholic Primary School Local Offer

		line with national expectations.
	<i>What opportunities will there be for regular contact about things that have happened at school e.g. a home / school book?</i>	Teachers will set up suitable communication systems so parents can keep in contact and receive regular updates from the school. This can take the form of weekly meetings, communication books or e-mail contact. The SENCo is also happy to contribute to these communication systems.
	<i>How will you explain to me how his or her learning is planned and how I can help support this outside of the school?</i>	Staff have been trained in holding structured meetings where needs and support are discussed and agreed with parents. An ILP (individual Learning plan) is designed for your child, along with the Provision map highlighting how their needs will be met in class and what targets your child will be working towards. The ILP will also identify ways you can help at home.
	<i>How and when will I be involved in planning my child's education?</i>	Termly meetings are held with class teachers and the parents are kept involved and updated through the communication opportunities mentioned above. Parents are asked for their opinions and support when planning special events such as school trips and residential to ensure full inclusion of all children.
	<i>Do you offer any parent training or learning events?</i>	We offer parent workshops in understanding and supporting children with Special Educational Needs, responding to the needs of our community.
5	What support will there be for my child's overall well-being?	
	<i>What is the pastoral, medical and social support available in the school for children with SEND?</i>	We are proud to be a Thrive school, THRIVE supports children with their emotional health, well being and social skills, all of which are needed to enable learning to take place. Children cannot always put their needs into words, but the way children behave can tell us a lot about how they are feeling. For some children there may be an obvious reason why they need extra support. This might be due to bereavement, family break down or an identified medical condition such as ADHD. For others, there may not be any obvious trigger as to why they are

St Joseph's Catholic Primary School Local Offer

	<p>finding some aspects of school and/or home life difficult. We have two trained THRIVE practitioners currently and two Learning Mentors who's role is to support children who may be experiencing emotional or behavioural difficulties that cause a barrier to learning. They also manage and lead a Social skills Group which supports children with friendship needs. The SENCo can refer children to outside agencies to offer wider support. Every child with a medical issue has a Health Care Plan or an Intimate Care Plan that is created in partnership with parents.</p>
<p><i>How does the school manage the administration of medicines and providing personal care?</i></p>	<p>All support staff are trained as First Aiders and all staff have received training in the use of epi-pens. If a child's needs require special or specialist care, we ensure that a member of staff is trained and an appropriate plan is put in place with the support of the parents. We have a managing Medicines policy which outlines how the school ensures appropriate care is given.</p>
<p><i>What support is there for behaviour, avoiding exclusions and increasing attendance?</i></p>	<p>Using the THRIVE approach we can help support children with their behaviour understanding that it is a way of communicating an unmet need. The Learning Mentors and Social skills group support children with behavioural, social and emotional needs. Some children may have an Individual Behaviour Plan or flow chart which aims to allow them to understand and manage their own behaviour. Good attendance is rewarded termly with a wrist band and certificate. We work closely with parents to ensure poor attendance is quickly improved and support is offered through referrals to outside agencies if appropriate. The school has a clear Behaviour and Anti-bullying policy that all the staff adhere to and that aims to promote positive behaviour</p>
<p><i>How will my child be able to contribute his or her views? How will the school support my child to do this?</i></p>	<p>Children regularly set their own class targets with the support of their teachers. Those with ILPs are also able to record their views on Their 'one page profiles' commenting on how they learn best and how they like to be supported <i>e.g. individually, by their peers, with visual clues, in a quiet space</i>. In addition we have a school council where council members can bring views</p>

St Joseph's Catholic Primary School Local Offer

		from their classes to be discussed. We also use questionnaires to find out how the children feel about all aspects of school.
6	What specialist services and expertise are available at or accessed by the school?	
	<i>Are there specialist staff working at the school and what are their qualifications?</i>	We have two trained THRIVE practitioners currently and two Learning Mentors who work with children according to need. We have TAs trained in delivering Speech and Language Programmes, Sensory processing , PDA strategies, working with autistic children.
	<i>What other services does the school access including health, therapy and social care services?</i>	<p>The school has had access to and worked with a number of organisations and services including:</p> <ul style="list-style-type: none">• Special Needs Team• Child Development Centre• Education Services• Educational Psychology• Speech and Language Therapists• Inclusion Support and Social Communication Team• Looked After Children Education Service• Social Services• Child Development Team• School Nurse• Child and Adolescent Mental Health Service (CAMHS)• Occupational Health• Family Link Worker• The Early Intervention Team• Ethnic Minorities Achievement Team (EMAT)

St Joseph's Catholic Primary School Local Offer

		Access to these services varies and there can often be a waiting list.
7	What training are the staff supporting children with SEND had or having?	<ul style="list-style-type: none"> • Teaching Assistants (TAs) have been trained in a range of interventions including Jump Ahead, Read, Write, Inc, Zone of regulation, Lego Therapy • Our Learning Mentors continue to receive training through our locality group and have received Nurture Group training from the Nurture Group Network' • All TAs have received training in understanding and supporting children with Autism • The Headteacher and SENCo have been involved in the briefings and information meetings held by the local authority regarding the new legislation for special educational needs • A number of staff are trained in the Team teach Approach to managing behaviour • Keeping children safe in education is annually update by all adults in the school • Some members of staff have received training in English as an additional language.
8	How will my child be included in activities outside the classroom including school trips?	
	<i>Will he or she be able to access all of the activities of the school and how will you assist him or her to do so? How do you involve parent/ carers in planning activities and trips?</i>	We make every effort to ensure that all children can take part in all activities organised by the school. Parents are always consulted about the suitability of an activity if there is any doubt and we work together to create a plan and personalised risk assessment to ensure success. Parents are given the option to take part in the activities themselves if it will help support their child.
9	How accessible is the school environment?	
	<i>Is the building fully wheelchair accessible?</i>	The Early years and Key stage 1 and most of KS2 are accessible by wheelchair and includes ramps, 2 lifts and 2 Disabled toilets. As well a hygiene room with bed and hoist. This is

St Joseph's Catholic Primary School Local Offer

		explained further in our accessibility policy.
	<i>Have there been improvements in the auditory and visual environment?</i>	All classrooms are fitted with interactive whiteboards and speakers along with wi-fi. All classes have access to computer tablets. The hall is equipped with a PA system, projector and internet access.
	<i>Are there disabled changing and toilet facilities?</i>	The school has 2 disabled toilets
	<i>How does the school communicate with parent carers whose first language is not English?</i>	The school liaises regularly with the English as an Additional Language Team (EMAT) in order to gain advice. We also use our local community to support with communication. We create letters to parents in their first language in order to support our EAL families.
10	How will the school prepare and support my child to join the school, transfer to a new school or the next stage of education and life?	
	<i>What preparation will there be for both the school and my child before he or she joins the school?</i>	The term before starting at St Joseph's parents are invited to join a drama group that takes place for our new starters so they can get familiar with the building and other children who they will be at school with. A Teddy Bears picnic is arranged for all new children and their parents in the June of their starting year. This provides them with the opportunity to meet with class teachers, teaching assistants and their peers. Children are also invited to spend time in their new class before starting the school, for story time. Extra sessions can be arranged, should we feel this is necessary, to enable a child to meet and connect with staff who may be involved in their care. Staff from the school will also visit nurseries or pre-school settings to meet the children and staff who have been working with them. Meetings can also be held with the SENCo and teacher to discuss how to make a smooth transition. Transition TACs are held with all professional involved in order that information is shared. Information meetings are held for parents to express their views and ask any questions they may have.

St Joseph's Catholic Primary School Local Offer

	<i>How will he or she be prepared to move onto the next stage? What information will be provided to his or her new setting / school / college?</i>	The school works with Transition Mentors from the local secondary schools to prepare children for this change. This involves the Transition Mentors visiting the Year 6 class and working with the children, meeting with teachers, attending meetings related to children with special educational needs who will be joining their school and arranging visits to the school they will be moving to. Extra visits can be arranged with staff accompanying a child to their new school to help them get used to the new environment. We also pass on each child's special educational needs file which includes the child's needs and history of support.
	<i>How will you support a new setting / school / college to prepare for my child/young person?</i>	Our local secondary schools have a detailed transition form which we complete outlining the needs of the child, the support they have received and our recommendations for support they might need in their new school. We invite Transition Mentors and special educational needs staff from the secondary schools to attend important meetings related to individual children in Year 6 so that they are best able to prepare for the transition.
11	How are the school's resources allocated and matched to children's special educational needs?	
	<i>How is the school's special educational needs budget allocated?</i>	We employ a range of support staff in order to ensure that we meet the needs of our children. Funding may be used to train staff if a child has specialist needs or requires specialist equipment or resources. Funding for individual children, such as those who currently have an EHCP, is allocated specifically to those children. We aim to ensure that the children have access to appropriate assessments, resources, time and staff.
12	How is the decision made about what type and how much support my child will receive?	
	<i>Describe the decision making process. Who will make the decision and on what basis? Who else will be involved? How will I be involved?</i>	Following observations, assessments and discussions, decisions are made based on the recommendations of outside professionals where appropriate and on the views of the child, teachers, SENCo and parents. Once these views are gathered, the class teacher and SENCo will plan a programme of intervention and share this with parents. Regular meeting opportunities between teacher / SENCo and parents allow for regular reviews and adjustments to the plan.

St Joseph's Catholic Primary School Local Offer

	<i>How does the school judge whether the support has had an impact?</i>	The school carries out standardised testing or other relevant assessments before beginning a programme of intervention. Further assessment is then repeated every term to monitor the impact of the intervention. Consultation meetings with parents / teachers / children and SENCo ensure that targets are reviewed regularly.
13	How are parents involved in the school? How can I be involved?	
	<i>Describe the school's approach to involving parents in decision making and day to day school life including for their own child or young person.</i>	Parents are invited to termly meetings in order to maintain a regular dialogue. More up-to-date communication can also be managed through the use of communication books, home/school diaries or e-mail. We have a parent council which meets regularly in order to discuss parent views and identify opportunities for development within the school. Parent views are also established through yearly questionnaires. We have a parent / teacher / friends association which welcomes those who are keen to take an active part in supporting the school.
14	Who can I contact for further information?	
	<i>Who would be my first point of contact if I want to discuss something about my child?</i>	Your child's class teacher would always be your first point of contact if you wish to discuss any concerns you may have. Appointments can be made by letter, e-mail or via the school office. The Headteacher and SENCo is also available to discuss more sensitive issues and to support you in communicating with other professionals.
	<i>Who else has a role in my child's education? Who can I talk to if I am worried?</i>	Your child will meet many adults in school, all of whom have the welfare of the child at the heart of their work. We aim to ensure that all adults have appropriate knowledge of all children in order to be able to support them appropriately in all situations. Appointments can be made to see the Headteacher and SENCO if concerns go beyond the classroom and both would be happy to meet with you.
	<i>Who should I contact if I am considering</i>	Contact should be with the Headteacher, via the school office.

St Joseph's Catholic Primary School Local Offer

<i>whether child/young person should join the school?</i>	
<i>Who is the SEN Coordinator and how can I contact them?</i>	The SENCo is Holly Seymour and you can contact her via the school office. The SENCo is available on 01444 452584 should you wish to meet with her.
<i>What other support services are there who might help me and provide me with information and advice?</i>	<p>The school has access to many local services as mentioned in section 6. Parents can also receive advice and support from the SEND IAS Special Educational Needs Information and Advice Service (formally known as The Parent Partnership service) will provide impartial advice and information and will help you communicate with the school and local authority where necessary. Contact details:</p> <p> Email: send/ias@westsussex.gov.uk Website: https://westsussex.local-offer.org/services/7</p> <p> Call us: 0330 222 8555 (<i>open 9am – 4pm, Mon – Fri</i>).</p> <p>West Sussex County Council also has information about children with disabilities and special educational needs. Their website is www.westsussex.gov.uk</p>
