Our Mission Statement

M I S S I O N S T A T E M E N T

St Joseph's Catholic Primary School strives to promote the education and development of all our children.

Learning through the love of Jesus Christ and empowered by his example, we celebrate our uniqueness and our distinctive gifts.

Growing in our Catholic faith we have high aspirations for all.

Aim high, live and learn with Jesus, everyone welcome

Introduction

I am delighted to offer you a warm welcome to our school. I hope that this prospectus will help you decide that St Joseph's will be your school of choice, providing a stimulating environment in which your child will be happy and thrive. We are a Catholic School and aspire to find the gift in every child which makes them unique. Our Christian values underpin all that we do in developing the child's journey in faith, attitudes and behaviours. We want children to become the person they were created to be. At St Joseph's, we do not just study faith, we live it.

Choosing the "right" school is one of the most important decisions you will make for your child. We are more than happy for you to visit and have a look around the school.

You can be guided by pupils, have an opportunity to meet with myself or our assistant head teachers, as well as see and learn more about our school.

I very much hope that this prospectus provides you with an overview of our school and I look forward to meeting you to answer any questions you may have and hopefully welcome your child into our school community for what I trust will be a long and happy association with St Joseph's School.

Our LEARNing Skills

Our children follow a curriculum that is brought to life through a variety of theme days, visits, theatre performances and creative projects.

We believe a happy child is a successful one, so we work together to present a curriculum that is exciting, challenging and enjoyable.

We aim to foster positive attitudes towards learning and develop confidence, communication and physical development.

Learners are provided with a range of rich, meaningful first-hand experiences in which they are encouraged to explore, think creatively and be busy and active within a range of environments.

Every child will be given the opportunity to participate in Forest School sessions; these form part of our curriculum. We are lucky to have plenty of space in our grounds and have created a full, on-site Forest School programme. We believe these happy experiences will linger in the children's memories for years to come.

Inclusion

Special Education Needs

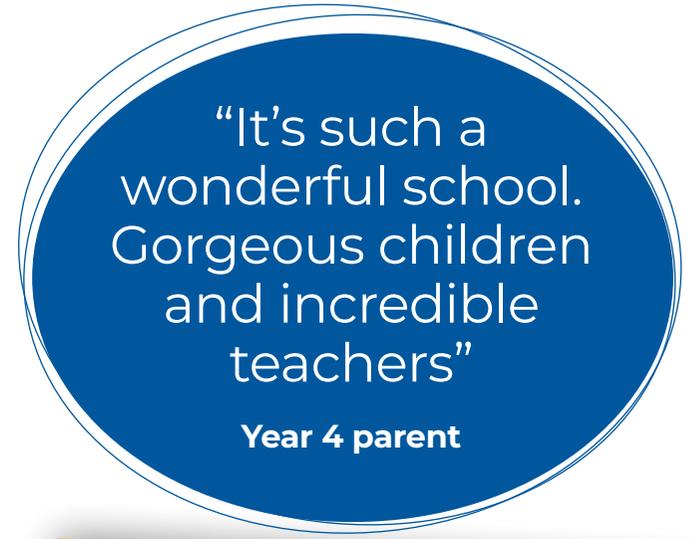

We believe that all children need to feel safe, happy and valued at school in order to learn, progress and develop their well-being. We recognise the individuality of all children and the fact that they are at different levels of development, physically, emotionally, intellectually and socially. Staff recognise the need for differentiation in setting tasks for their pupils. The teaching staff who identify a particular pupil who is experiencing a problem consult with the Special Needs Co-ordinator and Headteacher. Discussion then follows outlining the best way of meeting the pupils' needs, using resources from within school, or centrally funded advice.

Regular reviews are held between the Special Needs Co-ordinator, class teacher, Headteacher and parents.

Gifted and Talented

We recognise that all children are individuals with their own specific needs, gifts and talents.

Children who are identified as being exceptionally able or talented are monitored and provided with stimulating and enriching lessons appropriate to their needs. Children are given additional opportunities to develop holistically through challenge and activities.

School Uniform

Pupils at St Joseph's have always had the tradition of wearing a distinctive uniform as this encourages a sense of identity and pride. We expect all parents who accept a place at St Joseph's will ensure that their child wears the correct uniform.

Admissions

The Governing Body, as the admissions authority, is responsible for admissions to the school. The school's Published Admission Number (PAN) is 60.

A full copy of the Admissions Policy is available on our website – www.stjosephshh.org.uk

The admissions arrangements and criteria are reviewed annually.

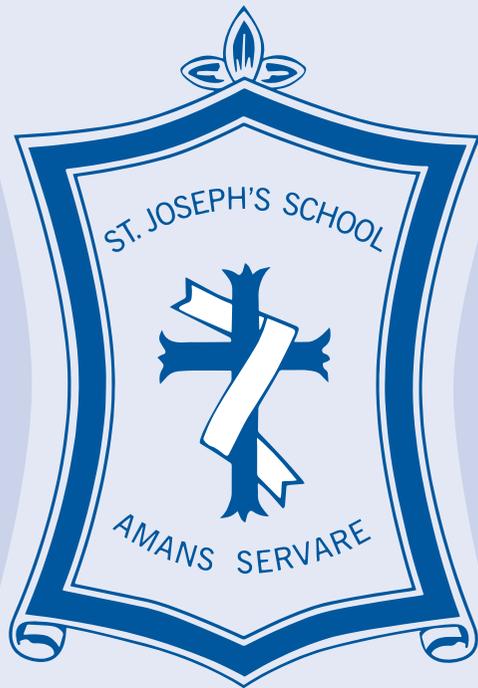

Governors

We have a full and active Governing Body which is overseen by the Bosco Academy Trust.

The primary responsibility of the Governing Body is to act as 'Champions for the Children' and it is their educational experience that is paramount. We discharge this responsibility by supporting and challenging every aspect of school activity from the highest academic aspiration to everyday housekeeping to ensure there is overall improvement, progress and achievement and that each child is encouraged to realise fully their individual potential.

It is wonderful to have parents/carers, with their many varied skills and viewpoints, on the governing body. There are so many helpful ways you can become involved in school life; being a governor is just one of them. Vacancies for Parent Governors are advertised as they arise.
