29th June 2023

Dear Parents,

I am writing to let you know which class your child is going to be in from September 2023 and which teacher will be with them. Please look at the table enclosed with this letter to find out who your child's staff team are, and what class they will be in from September. On Monday 17th July, they will spend time in their new classrooms, with their new class teacher.

When the academic year comes to an end, there are always a few staff who leave us to start a new and exciting chapter in their lives. As many of you will know, it is with real sadness that we will say goodbye to Miss Bacon and Miss Harvey both of whom have brought many qualities to the classroom and the children have been very fortunate to have been taught by them. We are delighted to welcome some new members to the teaching team – Mrs Howes and Miss Rooney will join the Year 2 team and we welcome back Mrs Threshie who will once again reside in Year 5 alongside Miss Morris.

I would like to thank all the staff for their continued hard work and dedication to all the pupils here at St Joseph's. We have an incredibly talented, strong and committed team that I know will continue their commitment to our high standards next year. The staffing team are to be commended for their relentless drive for exceptional progress for all the pupils in their care.

Next year promises to be another exciting year of opportunities for all the pupils at St Joseph's.

Should you have any questions about the enclosed information, please do not hesitate to get in touch.

Yours sincerely,

Mrs Walker
Headteacher
