13th July 2023

Dear Parents

SEX EDUCATION FOR YEAR 6

Part of our science focus this week will be healthy living and this will incorporate sex education as agreed by the Governing Body in relation to Government guidelines. Class teachers will teach all sessions.

Children in **Year 6** will be taught about human reproduction, which will include naming the sexual external and internal organs, and will include information about menstruation and how the egg and sperm come together to create new life. These sessions will be taught TOMORROW, 14th July 2023.

A copy of the RSHE policy is available on our website if you have any queries or concerns regarding the programme, please do not hesitate to come in and see me, as it is within your statutory rights to withdraw your child.

Yours sincerely

Mrs Cath Walker
Headteacher
