## HOW YOU CAN SUPPORT YOUR CHILD

- Ensuring they know their times tables
- Read with them everyday and ask them questions about the text
- Find them books they're interested in
- Support them with SATs revision books

During our Titanic topic, children will explore and evaluate the events leading to the Titanic sinking. They will explore the class system and its influence on fashion, diet, speech and hobbies.

During our World War Two topic, children will explore geographical locations in Europe, the events leading up to the war, and how life in Britain was affected by it.
